Dear Ho'okele Ohana,

It has been wonderful having students on campus in the 3rd quarter. As we wait for clarification if schools must continue to follow the 6 feet social distancing guideline or not in the 4th quarter, **we will continue our current A/B Blended Model** when school resumes after the Spring Break.

We are hopeful information will be received soon so that the school can work with our Complex Area Superintendent to determine what model will allow us to safely increase the length of time the students will be on campus in the 4th quarter. An updated letter will be sent out the week we return to school.

Enjoy your Spring Break but please stay safe and follow all Hawaii Department of Health guidelines.

Sincerely,

A handwritten signature in cursive script that reads "Laureen Dunn".
