Aloha Ho'okele Elementary School Parents and Guardians,

I want to personally thank you for supporting your child's education over these past few months. The transition back to in-person learning has come with challenges, yet we are able to see the growth and positive effects it has for our students on a daily basis.

To that point, please make sure you have scheduled a Parent-Teacher Conference which will be held virtually from Tuesday, October 26 to Friday, November 5, 2021. The purposes of these conferences are to discuss your child's progress and to cooperatively plan ways to help him/her grow and get the most out of the education that we can offer. We hope that you will be able to participate in this important event.

In addition, as Fall Break is upon us, I would like to remind everyone of the Department of Education's Student Travel policy. In the event your student is traveling out-of-state, please review the following criteria.

Student Travel

Student travelers must follow all applicable state and county rules at the time of the trip, including compliance with any required quarantine periods.

There are three (3) options for students returning from out-of-state travel:

1. Be fully vaccinated prior to the start of out-of-state travel and provide proof of vaccination to the school;
2. Obtain a COVID-19 test after return and submit a negative test result to the school; or
3. Quarantine for 10 days after return.

If you have any questions or may need support, please call the front office at 808-305-8500.

Thank you for your support of your child's education

Sincerely,
