

iReady on the iPad Information for Parents

Can my child access iReady on the iPad?

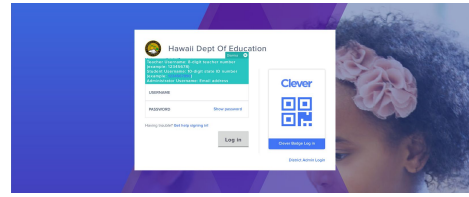

Check your iPad System Requirements on the System Requirement for iReady document linked here: <http://hookele.hidoe.us/iready.html>

How do I login?

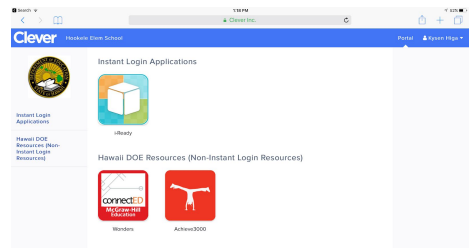

<p>1. Visit the Apple App Store and download the following TWO apps:</p> <ul style="list-style-type: none">● Clever-Instant Login● i-Ready for Students (*Note: the i-Ready for Students app MUST be on the device, but your child will NEVER open that app)	 <p>Clever-Instant Login i-Ready for Students</p>
<p>2. To launch i-Ready, open the Clever app.</p>	
<p>3. Upon first opening this, it will ask if you if want to allow Clever to use your camera. You MUST PRESS YES, if you are using the badge to login.</p>	
<p>4. Scan your QR code badge in the camera view. If you don't have a badge, you may login with your numeric username and password by pressing Login with your username and password at the bottom of the screen.</p>	 <p>Clever Hold your badge up to the camera</p> <p>Log in with your username and password</p>

5. If you chose to login with your username, **type the username and password** then press **Log In**.

6. Next, they will see this screen. They should see their name at the top right corner to verify they are in the correct account.

7. Tap the **iReady Cube**.

8. A box will pop up asking if you want to open iReady. Click **Open**.
