Dear Ho'okele 'Ohana,

Yesterday, we shared a letter from our Campbell-Kapolei Complex Area Superintendent, Sean Tajima. In the letter he announced we will continue with the full distance learning (learn from home) model for the entire 2nd Quarter. He also shared that Campbell-Kapolei schools may be allowed a limited number of students on campus based on its unique populations. Beginning October 19, Ho'okele Elementary will be offering our most vulnerable population of students the opportunity to come on campus for in person learning. The teachers of these students will be reaching out to their parents this week.

Ho'okele will be following our return to school campus procedures but modifying it to fit the smaller amount of students that will be on campus. During this time, we will monitor our procedures and refine them accordingly. This will also afford the school the opportunity on a smaller scale to make sure we are prepared for the day we can begin our blended/hybrid school model.

We thank you for your continuous support and we appreciate all of you! Please stay safe and healthy.

Sincerely,

Lauren Dunn
