

Dear Parents,

For any returning parents that are familiar with our annual Meet and Greet, we regret to inform you that we will NOT have an in-person Meet and Greet this school year due to COVID-19 and social distancing procedures in place. However, we wanted to provide you with information as we begin to prepare to start the new school year. We are asking families to take care of these things online before the school year begins.

SCHOOL SUPPLY LIST:

Please take a look at our school supply list for the upcoming school year.

- **Grade 1-5:** We will be asking students to bring their supplies over the course of the first 3 days they report to school in person. Parents will not be able to help carry their child's school supplies to their classroom. To ensure the safety of our children, parents and visitors will be asked to remain outside of the iron gates.
